

ANNOUNCEMENT

Postgraduate Mathematics Programs at HKUST

The Department of Mathematics at the Hong Kong University of Science and Technology (HKUST) maintains strong research in both pure and applied mathematics, the traditional core of a mathematics department. The quality of research at the postgraduate level is reflected in the scholarly achievements of faculty members, many of whom are recognized as leading authorities in their fields.

Applicants seeking admission to the program should have obtained a bachelor's degree from a recognized institution, or an approved equivalent qualification.

Applicants whose first language is not English, and whose bachelor's degree or equivalent qualification* was awarded by an institution where the medium of instruction was not English, are required to fulfill one of the following minimum English Language requirements:

- Test of English as a Foreign Language (TOEFL) - a paper-based test score of no less than 550, or an internet-based test score of no less than 80

or

- International English Language Testing System (IELTS) - an overall score of 6.0 with no sub-score lower than 5.5.

*Qualification with duration equivalent to a full-time bachelor's degree (i.e., at least 3 years).

For the details of application & admission, please visit this website: <http://pg.ust.hk/cgi-bin/pg/eng/detail.php?catid=3>

For the details of our programs, please download the information from this link http://publish.ust.hk/prog_crs/pdf/rpg/math.pdf#page=1

For the international students, the Hong Kong PhD Fellowship Scheme (HKPFS) offers generous financial support. For the details of HKPFS please visit this website: <http://pg.ust.hk/cgi-bin/pg/eng/detail.php?catid=3&sid=8&tid=114>
